

# Catch **Freight Bill Overcharges** Before They Cost You

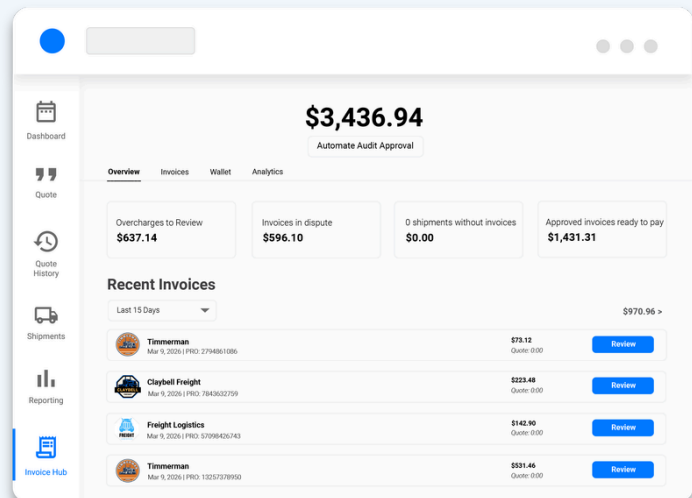

Invoice Hub Essentials automatically compares your carrier invoices to your original quotes, flags overcharges, and simplifies disputes – all in one place.

## Fast ROI. Zero Disruption.

No ERP changes. No accounting overhaul. No IT lift. **Just cleaner freight spend, starting immediately.**

**Catch just ONE freight bill overcharge and the tool pays for itself.**

- ✓ **Instant Invoice Audits**  
Compare invoices to quotes in seconds and flag discrepancies early
- ✓ **Built-in dispute resolution**  
Submit and manage disputes without endless back-and-forth
- ✓ **One place for all payments**  
Pay multiple carrier invoices at once – no extra portals
- ✓ **Complete financial accuracy**  
Every payment tied to your shipments with full visibility

## Optimize your shipping. Protect your margins.

Ship. Audit. Dispute. Pay. All in One Platform.
